 4. Recommend incentives or programs to reduce irrigation for both commercial and residential properties.
 - B. Re-use
1. Undertake preliminary design tasks for "purple pipe system" to serve certain public properties.
 - C. Supply
1. Recommend new and additional water supply options to augment City current production rates.
 - D. Public Outreach
1. Recommend and provide public outreach provisions to convey suggested plans, proposals, costs and timeline to attain core goals.
 2. Provide background information of geological situation that exists for current ground water withdraw rate limitations.

Public Notice

The Cheney City Council will hold a public hearing at its regular meeting on Tuesday, October 23, 2018, beginning at 6:00 p.m. in the City Council Chambers, 609 Second Street, Cheney, Washington. The purpose of this public hearing is to consider an application by Whipple Consulting Engineers, on behalf of Defender Developments, to amend the official zoning map of the City of Cheney. The applicant pro-

poses to 'swap' the zoning on 2.8 acres of the larger 12.1 acres of land located on 223 Alki Street, county parcel #13135.9207 as part of a proposed 224 unit apartment complex development. The result of the rezoning is a 'zero' net increase in multi-family zoned land. This zone change would not increase the amount of R-3H or decrease the amount of R-3, but rather redistribute the existing R-3H and R-3 areas to better fit the proposed site layout.

The Cheney Planning Commission has voted to recommend approval of the requested zone change. Public comment will be accepted on the proposed zone change, and on the accompanying developer's agreement. For more information on this project, please contact the Cheney Planning Department, 112 Anderson Road, Cheney, Washington, phone 498-9240.
October 4, 2018.

The City of Cheney is a member of the Spokane County Community Development Consortium, which consists of Spokane County and the small cities and towns in the county, except the City of Spokane.

The purpose of the Community Development Block Grant program is to fund projects which improve the quality of life for lower income residents.
